YOU MUST READ AND AGREE TO THIS AGREEMENT PRIOR TO DOWNLOADING AND/OR USING THE SUBSCRIPTION SERVICES. BY CLICKING ON THE “ACCEPT” BUTTON, SIGNING AN ASSOCIATED ORDER FORM, OR DOWNLOADING, INSTALLING AND/OR USING THE SUBSCRIPTION SERVICES, YOU ARE AGREEING TO BE BOUND BY THE TERMS ON BEHALF OF CUSTOMER.

IF YOU ARE ENTERING INTO THIS AGREEMENT ON BEHALF OF YOUR EMPLOYER OR ANOTHER LEGAL ENTITY, THEN YOU REPRESENT AND WARRANT THAT YOU HAVE THE AUTHORITY TO BIND THAT ENTITY AS THE CUSTOMER.

The date this Agreement is the earlier of the first date that the Customer accesses the Subscription Services or the date of executing the first Order Form and will be deemed the Effective Date of this Agreement.

This Agreement represents the complete and exclusive agreement between Supplier and Customer concerning Customer’s use of the Software and all related matters and supersedes all prior agreements, negotiations, or understandings between Supplier and Customer in any way relating to these matters. This Agreement may not be modified except by a later written agreement signed by both parties. The entire Agreement consists of the Order Form (and any subsequent Order Forms agreed by the parties) and enclosed Terms and Conditions together with attached Schedules. In the event of any conflict or inconsistency between the provisions of this Agreement and any, schedules, exhibits or appendices, the terms and conditions of this Agreement will govern to the extent of such inconsistency, unless it is expressly stated that a particular provision of such documents replaces a certain section of the Agreement and such modification is executed by both the Supplier and Customer.

1. Rights Granted, Products, Interfaces, Restrictions and Permitted Use
 - i. Subscription Services: Supplier will make available to Customer (on a non-exclusive basis) the Subscription Services indicated in the Subscription Order Form (the “Subscription Services”). Customer agrees that its purchase of a subscription to the Subscription Services is neither contingent upon the delivery of any future functionality or features nor dependent upon any oral or written public comments made by Supplier regarding future functionality or features, except where included in the Subscription Order Form.
 - ii. Grant of License: Where the Order Forms include Software, then upon and subject to receipt of payment by Customer of the applicable initial license, set-up and training fees set out in the Order Form(s), as well as any applicable subscription fee, Supplier will grant to Customer for use in connection with its internal business operations a limited, non-exclusive, non-transferrable license to the Software and Documentation, subject to the Permitted Use set out in the Order Form(s) and the terms set forth in this Agreement. Customer's rights to use the Software and Documentation are limited to the Term and subject to the payment of applicable recurring fees. Any Updates (provided pursuant to Section 14 (Support and Updates)) will form part of the Software and will be subject to rights granted in this Agreement. Customer may permit its employees, agents and contractors to

use the Software for purposes permitted pursuant to this Agreement and Customer will be responsible for their compliance in accordance with the terms of this Agreement. Customer may make a reasonable number of copies of the Software for testing, archival and/or back-up purposes, to be used only when the primary copies of the Software are not operational. All legends, trademarks, trade names, copyright marks and other proprietary notices included in the original copies of the Software must be maintained as part of any and all testing, archival, back-up or other copies of the Software made by Customer. All rights not expressly granted to Customer hereunder are reserved by Supplier. Customer acknowledges that the Software may require activation by way of an activation key on initial installation and from time to time based on certain events, including, without limitation, Updates and changes to hardware on which the Software is installed. Customer acknowledges that the activation keys and internal controls in the Software do not necessarily restrict usage to the Permitted Use and do not necessarily ensure compliance with this Agreement.

- iii. Restrictions: Customer will use the Subscription Services and Software only for its own, internal business purposes. Customer will not: resell, copy, frame or mirror any part or content of the Subscription Services or Software; make the Subscription Services or Software available for timesharing or service bureau purposes; or otherwise provide access to the Subscription Services or Software to any third party, except as such third party access is expressly agreed to between the parties in the Order Form. Customer will not, subject to any non-waivable rights Customer may enjoy under applicable law, directly or indirectly: reverse engineer, decompile, disassemble or otherwise attempt to discover the source code or underlying structure, ideas, know-how or algorithms relevant to the Subscription Services or any Software, Documentation or data related to the Subscription Services; interfere with or disrupt the integrity or performance of the Subscription Services or Software or third party data contained therein; attempt to gain unauthorized access to the Subscription Services or its related systems or networks; modify, translate, or create derivative works based on the Subscription Services or Software; or remove any proprietary notices or labels. Customer further agrees to those further restrictions, if any, on Customer's access to or use of the Subscription Services or Software which are indicated in the Order Form.
- iv. Ownership: Customer shall own all right, title and interest in and to any data, including digital files and unstructured content objects, entered or submitted by Customer by means of the Subscription Services or Software (the "Customer Data"). At all times Supplier will own all intellectual property rights (including copyright) in and to (i) the Subscription Services; (ii) any Software (other than any Third Party Software) to which access may be provided by means of the Subscription Services or Software; (iii) all upgrades, enhancements and modifications to the Subscription Services and Software and Updates; and (iv) any software, applications, inventions or other technology developed in connection with the Subscription Services.
- v. Custom Development and Enhancement Requests: This Agreement does not include any programming services for custom development or modifications. Such work, if negotiated and agreed to between Supplier and Customer, shall be the subject of a separate agreement for development services between the parties. Customer acknowledges that Supplier is not a contract development organization, but rather Supplier makes a single general release of the Subscription Services or Software available within specified industries. As such, Customer further acknowledges that the Subscription Services and Software are a major and valuable asset of Supplier's business and, as such, Supplier shall have complete control of the design and development of the Subscription Services, including with respect to any enhancements and modifications. Therefore, Supplier has the right, and sole discretion, to reject any request for enhancement or modification to the Subscription Services or Software by Customer.
- vi. Customer Input: Supplier shall have a royalty-free, worldwide, transferable, sub-licensable, irrevocable, perpetual license to use or incorporate into the Subscription Services, Software or Documentation any suggestions, enhancement requests, recommendations or other feedback provided by Customer, its employees, contractors and agents relating to the operation or

functionality of the Subscription Services or Software (collectively, "Customer Input"). Supplier shall have no obligation to incorporate Customer Input into the Subscription Services, Software or Documentation. Customer shall have no obligation to provide Customer Input.

- vii. Products: Supplier agrees to resell to Customer the hardware and/or third party software items (collectively, "Products"), if any, indicated in the Order Form subject to the terms and conditions of this Agreement. All Products will be shipped F.O.B. origin. Customer shall be responsible for all Delivery Costs. Payment by Customer of Delivery Costs shall be due and payable upon its receipt of Supplier's invoice.
- viii. Professional Services: Supplier will provide Customer with the Professional Services, if any, set forth in the Professional Services Order Form(s) ("Professional Services"). Such Professional Services shall be scheduled as mutually agreed upon subject to Supplier's availability following receipt by Supplier of the signed Agreement and any related deposit. Should Customer require rescheduling of confirmed Professional Service dates, Supplier will make commercially reasonable efforts to accommodate Customer's request and provide Customer with the next available dates based on Supplier's then-current availability. Items listed on the Order Form(s) as "per day" or "per week" are estimates only and Supplier will invoice the Customer based on the actual time taken.
- ix. Third Party Components: In order to properly utilize the Subscription Services, Customer agrees it may require use of certain third party components, which if any shall be listed in the Order Form(s) ("Third Party Components"). Customer acknowledges that Supplier will have no responsibility for the implementation or operation of such Third Party Components.
- x. Interfaces: Interfaces to other third party vendor systems may be available, as indicated in the documentation associated with the Subscription Services. To the extent such third party vendor system interfaces are available, Supplier shall install or make available the interfaces as agreed between the parties on the Order Form(s). Customer shall act as a liaison between Supplier and any third party vendor(s) with which the Subscription Services shall interface. Customer shall have its third party vendor available at the time that Supplier is scheduled to connect the interface and in order to assist with such connection, as required by Supplier. Transactions processed by a third party vendor system may be subject to separate licensing requirements. Customer acknowledges and agrees that it has the sole obligation to obtain, or cause its third party vendor to obtain, any and all such licenses.

2. Payment Terms and Taxes

- i. Agreement to Pay: Customer agrees to pay the fees set out in the Order Form(s). All fees are payable in accordance with the terms set out in, and in the currency specified in, the Order Form(s). Fees stated in the Order Form are exclusive of Taxes (as defined in this Section 2). Other than as provided for pursuant to Section 5 (Indemnification) or Section 15 (Availability), Supplier does not provide credits or refunds for fees already due or paid. With regard to any undisputed invoiced amount that is not paid within forty-five (45) days of the due date, Supplier reserves the right to charge, and Customer agrees to pay, a late payment fee on the unpaid balances owed more than forty-five (45) days until paid, equal to one percent (1%) per month. The late fee will be calculated on the original due date of the invoice.
- ii. Payment Terms: Unless otherwise indicated on the Order Form(s) or Invoice, all invoices are due within 14 days of receipt.
- iii. Fee Adjustments: Except where otherwise indicated on the Order Form(s) the Supplier may adjust the Fees in accordance with this clause:
 - (a) for Subscription Services the supplier may increase the Fees one time per calendar year, and the maximum increase per time shall be the greater of 6% of the previous Fees or CPI since the last increase; and
 - (b) for all other Products and Services the Supplier may increase the Fees with thirty (30) days notice.

- iv. Payment Disputes: Any invoice dispute must be initiated by Customer in good faith and in writing; Customer will be entitled to notify Supplier of any invoice dispute by the due date of the applicable invoice, after which time the invoice shall be deemed to be accepted by Customer and will be due and payable. If Customer initiates a dispute with regard to a particular invoice, any undisputed amounts charged on such invoice will continue to be due and payable. Supplier and Customer agree to use reasonable efforts to address and attempt to resolve any invoice dispute within thirty (30) days after Supplier's receipt of Customer's notice to Supplier regarding such dispute.
- v. Taxes: Customer is responsible for paying all taxes, levies, duties or similar governmental assessments of any nature, including, for example, value-added, sales, use or withholding taxes, assessable by any jurisdiction whatsoever (collectively, "Taxes") associated with Customer's purchases hereunder. For clarity, Supplier is solely responsible for taxes assessable based on Supplier's income, property and employees. If Supplier has a legal obligation to pay or collect Taxes for which Customer is responsible under this Agreement, the appropriate amount shall be computed based on Customer's address listed in the Order Form and invoiced to and paid by Customer, unless Customer provides Supplier with a valid tax exemption certificate authorized by the applicable competent authority in the relevant jurisdiction (or such other form of confirmation supplied for the same purpose) at least five (5) business days prior to the due date of the applicable Supplier invoice. All fees are payable in full and without reduction or withholding for Taxes. If, for whatever reason, Customer is required by law to withhold any Taxes from fees payable hereunder, Customer shall gross up its payments to Supplier so that Supplier receives the fees in full and free of any such deductions. Customer shall, upon request of Supplier, provide to Supplier proof that Taxes have been paid, if such payment is not made to Supplier directly. If Supplier pays any costs or expenses incurred in relation to any import duties, customs, formalities, permissions or other requirements, then Customer shall promptly reimburse Supplier for all such amounts in full.

3. Confidentiality

- i. Definition of Confidential Information: "Confidential Information" means all information disclosed by a party ("Disclosing Party") to the other party ("Receiving Party"), whether orally or in writing, that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure. Customer's Confidential Information includes Customer Data; Supplier's Confidential Information includes the Subscription Services and information regarding features, functionality and performance of the Subscription Services; and Confidential Information of each party includes the terms and conditions of this Agreement and all Order Forms (including pricing), as well as business and marketing plans, technology and technical information, product plans and designs, and business processes disclosed by such party. However, Confidential Information does not include any information that (i) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party, (ii) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party, (iii) is received from a third party without breach of any obligation owed to the Disclosing Party, or (iv) was independently developed by the Receiving Party.

Protection of Confidential Information: The Receiving Party will use the same degree of care that it uses to protect the confidentiality of its own confidential information of like kind (but not less than reasonable care) and shall: (i) not use any Confidential Information of the Disclosing Party for any purpose outside the scope of this Agreement; and (ii) except as otherwise authorized by the Disclosing Party in writing, limit access to Confidential Information of the Disclosing Party to those of its and its affiliates' employees and contractors who need that access for purposes consistent with this Agreement and who have signed confidentiality agreements with the Receiving Party containing protections no less stringent than those herein. Neither party will disclose the terms of this Agreement or any Order Form to any third party other than its affiliates, legal counsel and

accountants without the other party's prior written consent, provided that a party that makes any such disclosure to its affiliate, legal counsel or accountants will remain responsible for such affiliate's, legal counsel's or accountant's compliance with this Section.

Compelled Disclosure: The Receiving Party may disclose Confidential Information of the Disclosing Party to the extent compelled by law to do so, provided the Receiving Party gives the Disclosing Party prior notice of the compelled disclosure (to the extent legally permitted) and reasonable assistance, at the Disclosing Party's cost, if the Disclosing Party wishes to contest the disclosure. If the Receiving Party is compelled by law to disclose the Disclosing Party's Confidential Information as part of a civil proceeding to which the Disclosing Party is a party, and the Disclosing Party is not contesting the disclosure, the Disclosing Party will reimburse the Receiving Party for its reasonable cost of compiling and providing secure access to that Confidential Information.

4. Data

- i. Customer Data: Customer will have sole and exclusive responsibility for the accuracy, quality, integrity, legality, reliability, and appropriateness of all Customer Data. Customer will not send or store infringing, obscene, threatening, libelous or otherwise unlawful or tortious material, including material that is harmful to children, violates third party privacy or intellectual property rights, includes malicious code, or that will interfere with the integrity of the Subscription Services.

Supplier Rights to use Customer Data: Customer grants to Supplier a royalty-free, non-transferable, non-exclusive license for the term of this Agreement to use Customer Data to the extent necessary to perform the Subscription Services. Notwithstanding anything to the contrary, Supplier shall have the right to collect and analyze data and other information relating to the provision, use and performance of various aspects of the Subscription Services and related systems and technologies (including, without limitation, information concerning Customer Data and data derived therefrom), and Supplier will be free (during and after the term hereof) to (i) analyze and use such information and data to improve and enhance the Subscription Services and for other development, diagnostic and corrective purposes in connection with the Subscription Services and other Supplier offerings (examples of such uses include optimizing resources and support, research and development, verification of security and data integrity, internal demand planning, industry developments and anonymous benchmarking with other customers), and (ii) disclose such data solely in aggregate or other de-identified form in connection with its business.

Data Processor Addendum: Where Customer is subject to EU data protection laws, the Customer agrees to execute a Data Processor Addendum which shall apply to the extent that Supplier processes personal data on Customer's behalf.

5. Indemnification

- i. Intellectual Property Infringement Indemnification in favor of Customer: Supplier will hold harmless, defend, and indemnify Customer and its officers, directors, employees, agents, successors and permitted assigns from and against any and all costs, damages and expenses arising out of any claim brought against Customer by a third party based on the claim that the Subscription Services, or Customer's use of the Subscription Services infringes or misappropriates any United States, Canadian, United Kingdom, European Union, Australian or New Zealand patent, copyright, trade secret, or trademark of that third party, provided that Customer (i) notifies Supplier in writing no later than thirty (30) days after Customer's receipt of notification of potential claims; (ii) allows Supplier to assume sole control of the defense of such claim and all related settlement negotiations and (iii) provides Supplier, at Supplier's sole cost and expense, with all reasonable assistance, information and authority necessary to perform Supplier's obligations under this Section. Supplier

will not be liable for any infringement or claim based upon any modification of the Subscription Services developed by Customer, or use of the Subscription Services in combination with software or other technology not supplied or approved in advance by Supplier, or use of the Subscription Services contrary to this Agreement or the documentation related to the Subscription Services, including operator and user manuals. If the Subscription Services are held by a court of competent jurisdiction to infringe, Supplier, at its own expense, shall (a) replace or modify the Subscription Services to be non-infringing; (b) obtain for Customer a right to continue using the Subscription Services; or (c) if neither (a) nor (b) is feasible, terminate the Agreement and refund a portion of the subscription fee paid by Customer for the Subscription Services for which Customer has not yet enjoyed use of the Subscription Services, including fees or costs associated with custom development and services paid for but not yet delivered.

THE FOREGOING STATES SUPPLIER'S SOLE AND EXCLUSIVE LIABILITY AND THE SOLE AND EXCLUSIVE REMEDY OF CUSTOMER INDEMNIFIED PARTIES WITH RESPECT TO ANY CLAIM OF INFRINGEMENT OR MISAPPROPRIATION OF INTELLECTUAL PROPERTY RIGHTS OR PROPRIETARY RIGHTS OF ANY THIRD PARTY.

- ii. Customer's Indemnity if favor of Supplier: Customer agrees to indemnify, hold harmless and defend Supplier, its affiliates and any of their respective officers, directors, employees, agents, successors and permitted assigns from and against all costs, damages and expenses arising out of or on account of any violation of Section 1 (Rights Granted, Products, Interfaces, Restrictions and Permitted Use) or Section 4 (Customer Data) by Customer.

6. Insurance

- i. At its sole expense, Supplier will procure and maintain in effect the policies of insurance covering claims and liabilities arising from this Agreement as set forth in this clause.
 - (a) Workers' Compensation and Employer's Liability Insurance all with statutory minimum limits; and
 - (b) Commercial General Liability Insurance with a limit of \$1,000,000 per occurrence and \$10,000,000 in aggregate; and
 - (c) Professional Liability or Technology Errors and Omissions Insurance with limits of at least \$5,000,000 per claim and in the aggregate; and
 - (d) Automobile Liability Insurance with not less than a \$1,000,000 limit covering the use of any auto in the rendering of services to be provided under this Agreement; and
 - (e) Commercial Crime Insurance (which covers employee dishonesty) of not less than \$5,000,000; and
 - (f) Umbrella Liability Insurance providing the same coverages as those provided for under the commercial general liability insurance with limits of not less than \$10,000,000 per occurrence and in the aggregate.

The insurance required under this Section will be carried by companies rated "A, X" or better by A.M. Best. Supplier will, upon request of Customer, provide Customer with an industry-standard certificate of insurance. The insurance requirements under this Agreement will not limit or relieve Supplier of its duties, responsibilities or liabilities under this Agreement.

7. Liability

- i. EXCEPT FOR LIABILITY ARISING (i) FROM CUSTOMER'S BREACH OF SECTION 1 (RIGHTS TO USE AND RESTRICTIONS) AND ANY DISCLOSURE BY CUSTOMER OF SOFTWARE OR DOCUMENTATION IN BREACH OF SECTION 3 (CONFIDENTIALITY), (ii) UNDER SECTION 5 (INDEMNIFICATION) OR (iii) FOR PERSONAL INJURY, DEATH, FRAUD OR FRAUDULENT MISREPRESENTATION:

(a) SUPPLIER'S ENTIRE LIABILITY UNDER THIS AGREEMENT OR IN ANY WAY RELATED TO THE SOFTWARE, THE THIRD PARTY SOFTWARE, THE HARDWARE OR ANY RELATED SERVICES

WILL BE LIMITED TO DIRECT DAMAGES IN AN AMOUNT EQUAL TO ONE (1) TIMES THE FEES PAID BY CUSTOMER TO SUPPLIER PURSUANT TO THIS AGREEMENT DURING THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE FIRST EVENT GIVING RISE TO THE CLAIM; AND

(b) NEITHER PARTY WILL BE LIABLE FOR:

(i) ANY SPECIAL, PUNITIVE, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING FROM OR RELATED TO THIS AGREEMENT OR IN ANY WAY RELATED TO THE SOFTWARE, THE THIRD PARTY SOFTWARE, THE HARDWARE OR ANY RELATED SERVICES; OR

(ii) ANY LOSS OF REVENUE, PROFITS, GOODWILL OR DATA, OR DATA USE (INCLUDING AS A RESULT OF A VIRUS), BUSINESS INTERRUPTION, FAILURE TO REALIZE AN EXPECTED SAVING, CORRUPTION OF DATA, OR CLAIMS AGAINST THEM BY ANY THIRD PARTY, EVEN IF THE PARTIES ARE ADVISED, OR MAY REASONABLY SUPPOSED TO HAVE BEEN AWARE, OF THE POSSIBILITY OF SUCH DAMAGES IN ADVANCE.

SUCH LIMITATIONS WILL APPLY REGARDLESS OF HOW THE CLAIM ARISES, WHETHER ARISING BASED ON CONTRACT, TORT, NEGLIGENCE, OR OTHERWISE AND WILL APPLY TO ALL ORDER FORMS, SCHEDULES, ADDENDA, AGREEMENTS AND ATTACHMENTS RELATED TO THIS AGREEMENT.

THE FOREGOING LIMITATIONS OF LIABILITY ALLOCATE THE RISKS BETWEEN SUPPLIER AND CUSTOMER AND FORM A MATERIAL BASIS OF THE BARGAIN BETWEEN THE PARTIES. SUPPLIER'S PRICING REFLECTS THIS ALLOCATION OF RISK AND THE LIMITATION OF LIABILITY SPECIFIED HEREIN.

8. Warranty

- i. Limited Warranty: Supplier warrants that the Subscription Services and any Software will conform in all material respects to the documentation provided by Supplier in relation to the Subscription Services. As Customer's sole remedy for any breach of this warranty, if Customer brings to Supplier's notice any incidence of non-conformance, Supplier will use reasonable efforts to correct the error.

Internet: Supplier will use commercially reasonable efforts to ensure that the web pages generated with the Subscription Services will be served (i.e. delivered from Supplier's internal network or that of its Internet service provider) promptly regardless of the level of traffic to Supplier's servers, subject to outages, communication and data flow failures, interruptions and delays inherent in Internet communications. Customer acknowledges that problems with the Internet, equipment, software and network failures, impairments or congestion, or the configuration of Customer's computer systems, may prevent, interrupt or delay Customer's access to the Subscription Services or data stored within the Subscription Services. Supplier is not liable for any delays, interruptions, suspensions or unavailability of the Subscription Services or the data stored within the Subscription Services, attributable to problems with the Internet or the configuration of Customer's computer systems.

System Requirements: Customer acknowledges that the Subscription Services are intended to perform with, and Supplier provides the Subscription Services based upon, the system requirements specified in the Order Form or additional documentation made available by Supplier to Customer, as those may be updated by Supplier from time to time. Supplier has no liability for failure of the Subscription Services based upon Customer's failure to comply with such system requirements.

Products: Supplier represents that it has the authority of each producer and/or manufacturer of Products which are subject to this Agreement to sell the same to Customer. Customer acknowledges that Supplier makes no warranties, conditions, representations or guarantees, express or implied, concerning Products. Supplier in so far as it is possible hereby assigns to Customer the producer's or manufacturer's warranty(s), if any, applicable to the Products. To the extent permitted by law, Supplier makes no representations regarding the validity or enforceability of any such producer's or manufacturer's warranty and Customer understands that its sole remedy for any breach of warranty is such as may exist against the producer or manufacturer under the producer's or manufacturer's warranty.

Warranty Limitation: The conditions and warranties set forth in this Agreement do not apply to the extent that non-compliance is caused by, or has resulted from, (i) Customer's use of the Subscription Services or Software other than as authorized in this Agreement; (ii) use of the Subscription Services or Software in combination with other software, data or products that are defective, incompatible with, or not authorized in writing by Supplier for use with the Subscription Services; (iii) any malfunction of Customer's hardware, computers, computer-related equipment or network connections; and (iv) any modification of the Subscription Services or Software not performed by Supplier or otherwise authorized by Supplier in writing.

Disclaimer: EXCEPT FOR THE WARRANTIES PROVIDED IN THIS SECTION 8 AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE SUBSCRIPTION SERVICES, THE PROFESSIONAL SERVICES, IF ANY, AND THE PRODUCTS, IF ANY, ARE PROVIDED "AS IS" AND "WITH ALL FAULTS," AND SUPPLIER DISCLAIMS ALL OTHER WARRANTIES, REPRESENTATIONS, GUARANTEES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTY AND CONDITION OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE OR THE USE OF REASONABLE SKILL AND CARE. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, SUPPLIER MAKES NO EXPRESS OR IMPLIED WARRANTIES, REPRESENTATIONS, GUARANTEES OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, THE USE OF REASONABLE SKILL AND CARE, NON-INFRINGEMENT, SATISFACTORY QUALITY, ACCURACY, FREEDOM FROM ERROR OR THAT THE SUBSCRIPTION SERVICES, THE PROFESSIONAL SERVICES, IF ANY, AND THE PRODUCTS, IF ANY, WILL MEET ALL OF CUSTOMER'S REQUIREMENTS. SUPPLIER MAKES NO EXPRESS OR IMPLIED WARRANTIES, REPRESENTATIONS, GUARANTEES OR CONDITIONS WITH RESPECT TO ANY THIRD PARTY SOFTWARE, HARDWARE OR SERVICES PROVIDED IN CONNECTION WITH THE SUBSCRIPTION SERVICES. SUPPLIER'S LIMITED WARRANTIES DO NOT APPLY TO ANY SOFTWARE WHICH HAS BEEN MODIFIED OR ALTERED IN ANY MANNER BY ANYONE OTHER THAN SUPPLIER OR ITS AUTHORIZED AGENT. SOME STATES OR JURISDICTIONS MAY NOT ALLOW THE EXCLUSION OF CERTAIN OR ANY EXPRESS OR IMPLIED WARRANTIES, REPRESENTATIONS, GUARANTEES OR CONDITIONS, SO THE ABOVE EXCLUSION MAY NOT APPLY TO CUSTOMER. IN THAT EVENT, SUCH WARRANTIES, REPRESENTATIONS, GUARANTEES OR CONDITIONS ARE LIMITED IN DURATION TO THE WARRANTY PERIOD TO THE EXTENT LEGALLY PERMISSIBLE.

Non-Excludable Provisions: Nothing in this Agreement excludes, restricts, or modifies any right or remedy, or any guarantee, representation, warranty, condition or other term, implied or imposed by any applicable law which cannot lawfully be excluded or limited. This may include any consumer law which contains guarantees that protect the purchasers of goods and services in certain circumstances. If any guarantee, representation, warranty, condition or other term is implied or imposed concerning this Agreement under any consumer law or any other applicable law and cannot be excluded (a "Non-Excludable Provision"), and Supplier is able to limit Customer's remedy

for a breach of the Non-Excludable Provision, then the liability of Supplier for breach of the Non-Excludable Provision is limited to one or more of the following, at Supplier's option: (a) in the case of goods, the replacement of the goods or the supply of equivalent goods, the repair of the goods, the payment of the cost of replacing the goods or of acquiring equivalent goods, or the payment of the cost of having the goods repaired; or (b) in the case of services, the supplying of the Subscription Services again, or the payment of the cost of having the Subscription Services or Software supplied again. Customer may make such a guarantee claim by contacting the Supplier at the contact details set forth in the Order Form. The parties agree that it is Customer's responsibility to determine whether the Subscription Services or Software are suitable for Customer's requirements. No other terms, conditions, representations, warranties or guarantees, whether written or oral, express or implied, will form a part of this Agreement or have any legal effect whatsoever.

9. Term

- i. Term of Agreement and Term of Purchased Subscriptions: This Agreement commences on the date it is accepted by the Customer, and continues until all subscriptions hereunder have expired or have been terminated. The term of each Subscription shall be as specified in the applicable Order Form. Except as otherwise specified in an Order Form, subscriptions will automatically renew for periods of twelve (12) months, unless either party gives the other notice of non-renewal at least thirty (30) days before the end of the relevant subscription term.
- ii. Termination by Supplier: Subject to Section 9 paragraph, Failure to Pay Fees, Supplier has the right to terminate this Agreement if Customer is in default of any term or condition of this Agreement, and fails to cure such default within thirty (30) days after receipt of written notice of such default. Without limitation, it will be deemed a Customer default under this Agreement if Customer fails to pay any amount when due hereunder. Supplier may terminate this Agreement immediately if: (i) Customer breaches Section 1 (Rights Granted, Products, Interfaces, Restrictions and Permitted Use) or Section 4(i) (Customer Data); (ii) Customer becomes insolvent, a receiver, administrator, controller or a liquidator is appointed to Customer, Customer assigns any of its property for the benefit of creditors or any class of them or any proceedings have been commenced by or against Customer under any bankruptcy, insolvency or similar laws; or (iii) if Customer develops software or services that is competitive with the Subscription Services or Software; or (iv) if Customer is acquired by or acquires an interest in a competitor of Supplier.
- iii. Failure to Pay Fees: In the event that Customer fails to pay the applicable fees when due, Supplier reserves the right to elect to take one of the following courses of action (without limiting Supplier's other available remedies): (i) notify Customer that this Agreement will immediately expire (or has expired) effective as of the expiration of the then-current period; or (ii) allow this Agreement to renew for another renewal period, in which event, the applicable fees for such renewal period will continue to be payable; provided, however, that if Supplier does not affirmatively notify Customer that alternative (i) or (ii) has been selected, then alternative (ii) will apply.
- iv. Termination by Customer: Customer has the right to terminate this Agreement if Supplier is in default of any term or condition herein, and fails to cure such default within thirty (30) days after receipt of written notice of such default or if Supplier becomes insolvent or any proceedings are to be commenced by or against Supplier under any bankruptcy, insolvency or similar laws.
- v. Early Termination: Customer understands that Supplier has undertaken significant implementation and investment costs which are intended to be amortized over any initial term indicated on the Order Form ("Initial Term"). In consideration of the costs and the pricing structure acknowledged and accepted in the Order Form, Customer agrees to pay liquidated damages if Customer elects early termination during such Initial Term (other than pursuant to Section 9). The liquidated damages for such early termination will be the value of the fees for the remainder of the Initial Term, along with any outstanding fees for additional modules and services ordered but not yet paid for by Customer since the date of this Agreement. These liquidated damages are due and payable in a

lump sum on the date of termination of the Agreement. Customer acknowledges that the actual damages likely to result from a breach of the Initial Term by Customer are difficult to ascertain and that the foregoing liquidated damages are intended to represent estimated actual damages and are not intended as a penalty.

- vi. Data Portability and Deletion: Upon request by Customer made within thirty (30) days after the effective date of termination or expiration of this Agreement, Supplier will make the Customer Data available to Customer for export or download. After such thirty (30) day period, Customer acknowledges that Supplier will have no obligation to maintain or provide Customer Data. Where Customer is subject to EU data protection laws and a Data Processor Addendum applies, the Data Processor Addendum will govern with respect to the data portability and deletion of Customer Data that is Personal Data (as such term is defined in the Data Processor Addendum).
- vii. Surviving Provisions: Following the termination of this Agreement, the Sections titled "Payment Terms and Taxes", "Ownership," "Customer Input," "Confidentiality," "Data," "Indemnification," "Warranties and Warranty Disclaimer," "Limitation of Liability," "Term and Termination," "Assignment," "Dispute Resolution," "Governing Law" and "General Provisions" will continue in full force and effect in accordance with their terms.

10. Jurisdiction

- i. Governing Law: The law that will apply to any question of interpretation regarding this Agreement, any question of the existence of this Agreement, or a lawsuit arising out of or in connection with this Agreement, and which courts have jurisdiction over any such lawsuit, shall be the laws of the State of New York and the federal laws of the United States applicable in that state. Each party agrees to the governing law, without regard to choice or conflicts of law rules, and to the jurisdiction of (a) The United States District Court for the Southern District of New York (to the extent it has subject matter jurisdiction), or (b) the Commercial Division of the Supreme Court of the State of New York in New York County (or, if such court lacks subject matter jurisdiction, in the courts of the State of New York in New York County).
- ii. Dispute Resolution: Upon any dispute, controversy or claim between the parties, each of the parties will designate a representative from senior management to attempt to resolve such dispute. The designated representatives will negotiate in good faith in an effort to resolve the dispute over a period of thirty (30) days. If the dispute is not resolved in this thirty (30) day period, a party may submit the dispute to binding arbitration. Customer shall select an arbitrator from a list of three (3) arbitrators to be provided by Supplier to Customer, each of which shall be skilled in the legal and business aspects of the software industry. The parties agree that the arbitrator's fee shall be split equally between the parties and that each party shall be responsible for its costs, legal and otherwise, in relation to the arbitration, unless the arbitrator decides that the circumstances justify an award of costs. The arbitration shall be conducted in the English language and shall take place in accordance with the Commercial Arbitration Rules of the American Arbitration Association and in New York City, New York.

11. General

- i. Assignment: Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the other party's prior written consent (not to be unreasonably withheld); provided, however, either party may assign this Agreement in its entirety (including all schedules and Order Forms), without the other party's consent in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets. In the case of Customer, the following requirements shall exist: (i) Customer must be current with any and all payment due to Supplier hereunder and (ii) Customer shall execute and cause its permitted assignee to execute assignment documents in a form provided by or acceptable to Supplier. Notwithstanding the foregoing, if a party is acquired by, sells substantially all of its assets to, or
